Care Plan

Client Name: David Wareham

Client ID: 688398

DOB: 11/10/1971

Effective Date: 09/04/2025

General

Care Plan

Strengths

Compliance with medication/treatment, Motivated to engage in treatment

Barriers

Financial instability of family, Transportation

Contextual Cultural Considerations

Contextual Cultural Considerations (ethnic/racial, age, values/beliefs, language/communication, socioeconomic, gender, familial, location, religion/spiritual orientation, etc.)

Caucasian, no religion

Transition/Level of Care/Discharge Plan

Level of Care (recommendation and justification)

Recommend weekly to biweekly individual outpatient therapy to address anxiety, emotion regulation, and substance use concerns. No risk factors indicating higher level of care at this time.

Additional Comments

Reduction in symptoms as evidenced by:

ability to manage anger responses when experiencing emotional overwhelm, cessation of tobacco usage, and ability to remain present in moment with minimal racing thoughts

Estimated Discharge Date: 03/04/2026
